

Oceanview Medical Center

675 Camino De Los Mares
San Clemente, CA 92673

Oceanview Medical Center consists of a five-story medical office building containing 30,913 square feet situated 1.13 acre parcel in San Clemente, California. The Property is located on Camino de los Mares, a major commercial/medical corridor in North San Clemente, and has unobstructed ocean views from its upper floors. Oceanview is also located directly across the street from Saddleback Memorial Hospital. The Property enjoys excellent access via the Santa Ana Freeway (I-5) and major local roads to neighboring communities.
